

# Berncasteler Doctor Riesling Kabinett 2017

## Produzent

Das Weingut Thanisch befindet sich derzeit in den Händen von Sophia Thanisch, die die Tradition des Weinbaus seit elf Familiengenerationen fortführt. Der Schwerpunkt liegt ausschließlich auf Riesling aus Bernkasteler Weinbergen. Einige der Reben sind noch originale, unverpfropfte Unterlagsreben, was ihre große Begeisterung auf den Weinkarten berühmter Restaurants in aller Welt erklärt.

## Jahrgangsbericht

March was very warm with summerlike temperatures causing a very early bud break. April 20th severe frost with temperatures down to – 5 degrees Celsius destroyed many buds and leaves. However, during flowering the weather was dry and led to good development of the grapes. Changing weather of rain and sun caused botrytis and led to a very early harvest (Sep.25th). Due to the frost the yield was cut tremendously, but led to high quality and very pure, elegant classic Mosel wines.
